Subject: PTO - RFI #168 - 176 - Fencing Related Questions

CBP Team-

The DHS Presidential Transition Office (PTO) has received the following requests for information (RFI) from the President-elect's Landing Team. Please provide a coordinated answer, internally cleared at the Chief of Staff level or above within 24 hours of receipt unless additional time is negotiated with the PTO. Operational Components, please also ensure answers are cleared by your General Counsel. HQ Directorate and Office answers will be cleared by OGC. When you submit your answer to the PTO, please include the attached General Record of Disclosure form for PTO approval. Please use this email chain only for questions and responses related to this RFI. If you need to forward internal emails related to this request, please do so as attachments to this email chain, so as to keep the subject consistent for tracking purposes. Please let us know if any other office should be the lead on this request or if you have any questions.

168: Copies of contracts for fence and integrated fixed towers, including contract modifications and task orders.

169: Acquisition program documents.

170: Documentation related to requirements and specifications development including research done at Texas A&M any FFRDC.

171: Copies of interagency agreements and supporting documents to engage the Army Corps of Engineers in border security work, including but not limited to, fence construction and management.

172: Any Border Patrol document regarding concept of operations and/or operational needs related to the fence, tactical infrastructure or technology. Border Patrol inputs regarding where fence, infrastructure or other technology should be placed to enhance its mission performance.

173: Documentation related to why and how the type and placement of fence was decided by CBP under the Secure Fence Act of 2006, or any other fence constructed since 2006.

174: Information regarding maintenance and repair of southwest border fencing since construction, cost and type of repairs needed, along with timeframes and how the maintenance and repairs was accomplished.

175: Any documents related to NEPA, historic and cultural preservation for fence and related infrastructure construction, including waivers, findings of impact or no significant impact. Also records of public hearing related to fence and related infrastructure construction.

176: Drawings and maps of southwest border related to determination of fence location and construction.

Due date: COB Friday, December 16.

Please let me know if you have any questions. Thanks.
